

Pilgrim Arena will be opening for business on June 8!

PLEASE TAKE THE TIME TO READ CAREFULLY!!

- We will be operating under **strict State government guidelines** and are asking all customers to fully cooperate in order to make this as smooth as possible. **Delays will throw off everyone's schedule.**
- Each program will be responsible for the number of people allowed on the ice.
- People will be asked to **enter through the front door and exit from the side doors** in each rink.
- Players and chaperones will not be allowed in the rink until **10 minutes prior to your ice time.**
- **Every player is required to come dressed.** Locker rooms will be closed, and seating areas will be set up for players to put on their skates.
- **Only one chaperone per person will be permitted into the rink** and seating will be spaced according to State guidelines.
- After your ice time is over, you will be required to remove your skates and **exit the building "immediately" per the guidelines. Pilgrim will allow 5 minutes to remove skates.** This will give rink employees time to sanitize the rink before the new group enters.
- There will be hand sanitizer placed around the rink for customer use.
- There will be notifications posted around the rink to remind people to wash their hands and observe safe social distance measures.
- **All guests must wear masks** inside the building.
- Any adult entering the rink will be required to **sign a waiver.**
- Anyone who does not cooperate will be asked to leave.
